Non-native pronunciations of English result from the common linguistic phenomenon in which non-native users of any language tend to carry the intonation, phonological processes and pronunciation rules from their first language or first languages into their English speech. They may also create innovative pronunciations for English sounds not found in the speaker's first language.

If your speech allows, find some words where you can play with the pronunciation to add some vocal spice to your delivery. For example: Instead of saying â€œThe car was a long way from the beach,â€• you could say â€œThe car was a loooooong way from the beachâ€•.; Instead of saying â€œThe hamburger was delicious,â€• try â€œThe hamburger was deeee-licious.â€•
