Colossus: The Rise and Fall of the American Empire | The

COLOSSUS is the only book that I'm aware of that makes this case in such a straight forward and blatant manner. Not shying from the term empire (with all of its negative connotations), Niall Ferguson makes a

brilliant and convincing case for the benefits of empire.

Colossus: The Rise and Fall of the American Empire: Niall

In Colossus he argues that in both military and economic terms America is nothing less than the most powerful empire the world has ever seen. Just like the British Empire a century ago, the United States aspires to globalize free markets, the rule of law, and representative government.
