The tragedy of great power politics. New York: W.W. Norton & Company. Chapter One . Introduction . Many in the West seem to believe that "perpetual peace" among the great powers is finally at hand. The end of the Cold War, so the argument goes, marked a sea change in how great powers interact with one another.

themselves as citizens of Great Britain and subjects of King George III. They were tied to Britain through trade and by the way they were governed. Trade was restricted so the colonies had to rely on Britain for imported goods and supplies. There were no banks and very little money, so colonists used barter and credit to get the things they needed.
