of alcohol aims to give guidance for action at all levels and to set priority areas for global action, and that it is a

The WHO Global Strategy to Reduce the Harmful Use of Alcohol

“Global Strategy”™ is a shortened term that covers three areas: global, multinational and international strategies. Essentially, these three areas refer to those strategies designed to enable an organisation to achieve its objective of international expansion.

What is global strategy? And why is it important?

National Strategy for Combating Terrorism focuses on identifying and defusing threats before they reach our borders. While we appreciate the nature of the difficult challenge before us, our strategy is based on the belief that sometimes the most difficult tasks are accomplished by the most direct means. Ours is a strategy of direct and continuous
