Love it Sharon!! We need some kids to obsess over science in the same way that they obsess over video games. Get them hooked. Get them making things (licit things mind you) in their basements/garages/bedrooms. Rocket Boys is a great novel (non-fiction) about a couple of kids in West Virginia who got really interested in rockets and started making some really sophisticated things.

Parenting or child rearing is the process of promoting and supporting the physical, emotional, social, and intellectual development of a child from infancy to adulthood. Parenting refers to the intricacies of raising a child and not exclusively to the biological relationship. The most common caretaker in parenting is the biological parent(s) of the child in question, although others may be an ...
