Strata Legislation NSW - Owners Corporations, Lot Owners

Economic inequality covers a wide variety of topics. It can refer to either income distribution, measuring the amount of money people are paid, or the distribution of wealth, which captures the amount of wealth people own. Inequality among nations is covered in international inequality and countries listed by income inequality. For the United States, see United States income inequality, United ...

Social class in the United States is a controversial issue, having many competing definitions, models, and even disagreements over its very existence. Many Americans believe that in the country there are just three

classes: the American rich; the American middle class; the American poor. More complex models that have been proposed describe as many as a dozen class levels; while still others ...
