Guidelines for Scholarship - vtpi.org

Effluent guidelines are national standards for wastewater discharges to surface waters and municipal sewage treatment plants. We issue the regulations for industrial categories based on the performance of treatment and control technologies.

Effluent Guidelines | US EPA

Just as there is no simple system for evaluating the quality of faculty research, there is no simple system for evaluating the quality of faculty teaching. However, by thinking carefully about the purposes of evaluation, and by crafting multiple methods of evaluation that suit those purposes, one ...

Guidelines for Evaluating Teaching | CRLT

When you search for information, you're going to find lots of it . . . but is it good information? You will have to determine that for yourself, and the CRAAP Test can help. The CRAAP Test is a list of questions to help you evaluate the information you find.

Evaluating Information â€“ Applying the CRAAP Test

This site provides a variety of tools and resources for citizens and local governments interested in developing, revising, or evaluating local tree ordinances.
