

guidelines for family care pdf

These guidelines are organized in the same order as the Sanitation Inspection Report the inspector uses while visiting your facility. The sanitation requirement is found with the corresponding inspection report letter and number. Each sanitation requirement is followed by the applicable child care licensing rule number or rule governing food service sanitation number.

Child Care Sanitation Inspection Guidelines for Family

Guidelines for Family Care Centres in New South Wales 1.2 Service Indicators . The need to establish a Family Care Centre would be determined by each Area Health Service's assessment of their population and the priority health goals and targets that need to be achieved. Assessments can be determined by data analysis, consumer
