Treiman et al., Psycholinguistics, 3 and The umpire helped the child on third base as conveying distinct messages, although the sentences differ in just one small word. We know that He showed her baby the pictures and He showed her the baby pictures describe quite different events, even though the difference in word order is slight. We can even make some sense of Colorless green ideas sleep ...

Procedure words or prowords are words or phrases limited to radio telephone procedure used to facilitate communication by conveying information in a condensed standard verbal format. Prowords are voice versions of the much older prosigns for Morse code first developed in the 1860s for Morse telegraphy, and their meaning is identical. The U.S. military communications manual ACP-125 contains the ...
