The first World Happiness Report was published in April, 2012, in support of the UN High Level Meeting on happiness and well-being. Since then the world has come a long way. Increasingly, happiness is considered to be the proper measure of social progress and the goal of public policy. In June 2016 the OECD committed itself to redefine the growth narrative to put people's well-being at ...

Utilitarianism is an ethical and philosophical theory that states that the best action is the one that maximizes utility, which is usually defined as that which produces the greatest well-being of the greatest number of people, and in some cases, sentient animals. Jeremy Bentham, the founder of utilitarianism, described utility as the sum of all pleasure that results from an action, minus the ...
