### **Home Dairy with Ashley English: All You Need to Know to**

review 1: "Home Dairy" is a guide on how to make your own cheeses and dairy products. The author provided enough information that a complete beginner can use this guide. It's a very colorful book with lots of pictures (of tools, finished products, etc.) and easy-to-follow and -understand instructions.

My family has started purchasing milk from a local dairy recently. We enjoy drinking fresh milk and a request has been made by my children to make fresh yogurt and cheese. I want my children to help with this process and I think Ashley's dairy book would be a great educational resource for this life skill project. Reply
