An important thing to realize is that Killer Instinct places restrictions on manuals after linkers. If you execute a linker of a particular strength, you will only be able to follow it up with a manual of the same strength or lower. This means that light linkers only can be followed by LP or LK manuals, while heavy linkers can be followed by ...

Fortunately, you don't need to go into training mode and memorize a bunch of frame data to perform manuals in Killer Instinct. Simply remembering the manual restriction rule is enough; light linkers lead to light manuals, medium linkers lead to medium or light manuals, and heavy linkers lead to all three manuals.
