

rich democracies poor people pdf

In Rich Democracies, Poor People, Brady investigates why poverty is so entrenched in some affluent democracies whereas it is a solvable problem in others. Drawing on over thirty years of data from eighteen countries, Brady argues that cross-national and historical variations in poverty are principally driven by differences in the generosity of ...

rich democracies poor people how politics explain poverty

Rich Democracies, Poor People is bold and brilliant. It undermines the data, methods, and theoretical underpinnings of widely held interpretations of poverty and welfare. And it uses state-of-the-art data and methods to support a plea for the reorientation of U.S. poverty and welfare policy.

Rich Democracies, Poor People mocracies, Poor People

This book advances a political argument for poverty. This argument is developed from explaining

cross-national and historical variation in poverty across affluent democracies since the late 1960s.

Rich Democracies, Poor People: How Politics Explain Poverty

However, policy-makers in poor democracies regularly divert expenditures away from those areas that most benefit the poor, or fail to implement policies that improve those services from which the poor are known to benefit disproportionately.
