The third and last course of lectures, of which Constantin kept this very full record, is generally considered to represent a more advanced version of Saussure's teaching than the earlier two. It is clear that Constantin's notebooks offer a text which differs in a number of significant respects from the Cours published by Saussure's original ...

### **Saussure's Third Course of Lectures on General Linguistics**

A final problem is how the Lepschy book is to be used. As a source of general background on unfamiliar traditions for the conscientious scholar, it seems acceptable. If the book is to be used in teaching an undergraduate history of linguistics course, however, some obstacles need to be overcome.
