Extraterrestrial real estate refers to claims of land ownership on other planets or natural satellites or parts of space by certain organizations, individuals, and scam artists. Such claims are not recognized by any authority, and have no legal standing. Nevertheless, some private individuals and organizations have claimed ownership of celestial bodies, such as the Moon, and are actively ...

It gets verbose sometimes. One part I couldn't help to laugh is where the author asked himself a question, and then he answered as follow "In common parlance and on the basis of the casual empiricism frequently heard among practitioners in the real estate investment industry, the answer to this question would clearly be yes."
