

transnational organized crime an pdf

Transnational organized crime (TOC) is organized crime coordinated across national borders, involving groups or networks of individuals working in more than one country to plan and execute illegal business ventures. In order to achieve their goals, these criminal groups use systematic violence and corruption. The most commonly seen transnational organized crimes are money laundering; human ...

Bookreviews 60 academic and journalistic books on organized crime and related topics, addressing different events, persons and structures in various countries, are reviewed from an organized crime researcher's perspective. The overriding question always is: What does the particular book contribute to a better understanding of organized crime?

Organized Crime Research

Organized crime is a category of transnational, national, or local groupings of highly centralized enterprises run by criminals who intend to engage in illegal activity, most commonly for money and profit. Some criminal organizations, such as terrorist groups, are politically motivated. Sometimes criminal organizations force people to do business with them, such as when a gang extorts money from ...
