

treasure legends of north pdf

A treasure map is a variation of a map to mark the location of buried treasure, a lost mine, a valuable secret or a hidden location. One of the earliest known instances of a document listing buried treasure is the copper scroll, which was recovered among the Dead Sea Scrolls near Qumran in 1952. More common in fiction than in reality, "pirate treasure maps" are often depicted in works of ...

Fist of the North Star: The Legends of the True Savior

In 1078, William the Conqueror built a white tower on the north bank of the River Thames that would become the most prominent part of the Tower of London. But there is more to the tower than just a tourist attraction. From the ghosts that are said to haunt its walls, to the ravens protecting both the castle and the city itself, there are many stories and superstitions surrounding the Tower of ...
