Everest Base Camp has been graded as a difficult trek. On most days, you are trekking for 7-8 hours and you sleep in altitudes over 15, 000 ft. You trek to an altitude over 17,000 ft four times in this trek: the Gokyo Ri summit (17, 575 ft), Chola Pass ( 17, 782 ft) , Everest Base Camp (17, 600 ft) and Kala Pathar (18, 513 ft). The altitude and the long days makes this trek arduous.
