So many legends, so little time. Rick Grefe has asked me to speak briefly on the value of continuity in our profession. Of course one could take that charge to mean the short history of design, perhaps beginning with Peter Behrens, who is credited with invention of identity programs and coordinating graphic and industrial design activities.

Postmodernism is a broad movement that developed in the mid- to late 20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. (In this context, "modern" is not used in the sense of "contemporary", but merely as a name ...
