How to Calculate the Flowrate of Motive Fluid in an

The Open University (OU) is a public distance learning and research university, and the biggest university in the UK for undergraduate education. The majority of the OU's undergraduate students are based in the United Kingdom and principally study off-campus; many of its courses (both undergraduate and postgraduate) can also be studied anywhere in the world.

Open University - Wikipedia

History. The junior college system was first introduced at the end of the 1960s as a standardisation of all pre-university courses offered by various high schools in Singapore.
