William Morris (24 March 1834 – 3 October 1896) was a British textile designer, poet, novelist, translator, and socialist activist. Associated with the British Arts and Crafts Movement, he was a major contributor to the revival of traditional British textile arts and methods of production. His literary contributions helped to establish the modern fantasy genre, while he played a significant ...

### **William Morris - Wikipedia**

William Morris (1834–1896), the towering figure in late 19th century design, was the main influence on the Arts and Crafts movement. The aesthetic and social vision of the Arts and Crafts movement derived from ideas he developed in the 1850s with a group of students at the University of Oxford, who combined a love of Romantic literature with a commitment to social reform.

New Deal/W.P.A. Artist Biographies States would frequently "borrow" another state's artists. The State List of Artists contains people who did work in a particular state but who might have been registered in another state. There is now a biography research page with a list of resources for researching artist biographies available. You can also request copies of deceased Federal employee ...
