"Winners Take All" is an important and timely book. Giridharadas examines the fundamental limitations and contradictions of those who work for social change from a position of wealth and prestige. His central theme is "the master's tools will never dismantle the master's house," that is, the solutions proffered by the global elite will never address the conditions that created the problems.

## **Winners Take All: The Elite Charade of Changing the World**

About Winners Take All. An insider's groundbreaking investigation of how the global elite's efforts to "exchange the world" preserve the status quo and obscure their role in causing the problems they later seek to solve.
