#56. Winning the War against Worry (Luke 12:22-34)

Our website is the source for the latest security and strategic research from the military's link to the academic community. The Strategic Studies Institute is the War College's premier landpower research center.

Strategic Studies Institute (SSI) | US Army War College

War is a state of armed conflict between states, governments, societies and informal paramilitary groups, such as mercenaries, insurgents and militias. It is generally characterized by extreme violence, aggression, destruction, and mortality, using regular or irregular military forces. Warfare refers to the common activities and characteristics of types of war, or of wars in general.

War - Wikipedia

On 11 December 1941, four days after the Japanese attack on Pearl Harbor and the United States declaration of war against the Japanese Empire, Nazi Germany declared war against the United States, in response to what was claimed to be a series of provocations by the United States government when the US was still officially neutral during World War II. ...
