Now for the piano arrangement... It is the flowing chords that give the O Holy Night sheet music its special flavor. Never having found a version easy enough for my students but also lovely enough to want to play and work hard on, or even with which to accompany singers, I finally arranged my own version.

Earlier in this course, I described most of the data types available to you in Excel VBA. I skipped over the Object Data type then, so I'll cover it now. An Object variable refers to an Excel object such as a workbook, worksheet or cell range. I'll show you what that looks like in the Visual Basic Editor, so just press Alt+F11 to display my code. In this example, I created an Object ...
